Sno-Port

WHAT IS SNO-PORT?

Visitors from across the area have engaged in snow-themed, science-based activities housed in an interactive science “playground” known as “Sno-Port” since 2019. Sno-Port, re-designed annually, represents the imaginations and creations of local artists and has become a favorite holiday experience.

The cost of producing this elaborate winter exhibit is partially funded by nominal admission fees; however, Sci-Port depends on the support of sponsors to provide high-quality temporary exhibits such as Sno-Port.

Please mail sponsorship contributions to Sci-Port Discovery Center. Checks should be made payable to Red, River STEM, Inc.. Additionally, online sponsorships can be made at www.sciport.org/snoport.
